“ AJ was a permanent fixture in our household during his childhood years in Rio Grande City , our beloved hometown. Thelma , AJ, Caitlin, Nashla and Abraham and myself were always together . So many silly memories of our babies playing Tball in La Casita to eating Happy Meals from McDonalds , running through the Roque Guerra hallways at 9PM because Thelma and I were workaholics!! Playing at my trailer house and us at Thelma's house with all the kids ... too many memories my girls and Hiram and I will never forget .

May God welcome you our sweet and intelligent AJ into his heavenly home. We know you are at peace and that you will look over your family and grandparents from above.

To our compadres Thelma and Adan .. we love and will always be here for you and your family, don't ever forget that. ❤️🙏

“ AJ, my heart is truly broken right now. A beautiful soul taken all too soon. Your smile could light up any room. Your heart was pure and you loved with all your might. I know life has been far from easy these last few years, but I also know that at last you found the one who helped make you feel complete. I wish I could be there to say good bye but I will instead be there in spirit from so many miles away. I would give anything to be able to give you one last hug. Rest In Peace, my dear cousin. Love, Selina
