“ *My Daddy was the BEST.... He was my Mom and Dad since a very young age. The love for family was instilled in all 9 of his children. Therefore, we will continue to walk through this journey called life following in his footprints.*

He was a bus driver to many in our small community of Abram including us- his children.

Thank you Papi, for showing me the way to follow God in everything I do, and be a good example for my children to follow.

I will love you forever and cherish every moment I shared with you. See you later! Love you...thank you! (IYKYK)

I had great admiration for Tio because he was a great father, who was always there for his children.

He was a devout person who always put God first.

He was a man of good character and lived by high standards.

Definitely, he was a good role model for all his children.

Tio is gone but his legacy will live on.

May he rest in peace 🙏.
