“ *Dearest Family: I'm so sad yet so happy you shared so many wonderful years with Amelia. She was our neighbor for many years while we were growing up. She was kind , sweet and such a loving mother. I remember her smile and her dedication to her girls and later to her son. She was a strong., hard working mother. Her girls Annabella & Grace were raised with love, and wonderful values. I'm sure you will be missed by all your family but you now walk those streets of gold., surrounded by all your deseased family. Go be with God., and you only leave beautiful memories behind of your kindness and strong will.*

*RIP Dearest ANGEL. Sending my deepest condolences and all my Love....*
