“ *Tia was the best at keeping up with the party, she was the second family member I told I was gay when I was 11 or 12 years old. I hear her voice but I still am gonna miss knowing that her presence is in the same playing field as me. May she find herself blessed in heaven. Love you tia*

“ *Tia, I'll never forget how you watched Samuel like a Hawk when we took you out to ride in the boat out on the lake. You were so funny. It took us forever to get you on the boat but loved it. Love you Tia*
