“ Cynthia was a beautiful person with a loveable and strong personality. She was an excellent nurse and great friend to many. I have many fond memories of her in the short time I was blessed to have known her. She was passionate about continuing her nursing career and I know she would have made an excellent practitioner. To her parents and sister --you had a beautiful angel on earth and now she's in heaven. May God grant you strength and peace . You were blessed to have been given such a loving and beautiful baby girl. She made you very proud and will be missed dearly.
