She worked very hard to provide for her family yet always found time to take a spontaneous trip or excursion. She enjoyed life & made many memories with the family and friends. She had a fondness for occasionally sipping quality tequila some of which was brought directly from Jalisco, by Elias. She had deep and abiding faith in the Lord and

knew that he would always provide.

“ *Dalia was a beautiful person, spiritually and physically. Her million-dollar-smile and her beautiful face lit up a place the moment she walked into a room. To lose her hurts so much! She was loved, cherished and respected by many and her departure will be felt forevermore. I love you, Dalia! You and your entire family are loved by my family.*

“ *Dalis was the perfect example of what universal love means. She didn't care if someone was white, black, brown, yellow, young, old, male or female. If she could help, she would and did is so gracefully. My sweet cousin our hearts are heavy with grieve and with lack of understanding. You will be greatly missed. May God rest your soul and give your children, grandchildren and siblings peace during this very difficult time. We love you dearly.* 🧡🙏🌹💕🕊️🕊️🧡
