“ She was always there for us on our Spark website. Her daily devotionals were always there, whether she was feeling up to par or not. She reached out to so many and always had a kind word. She had a sense of humor and you could see it in her writings. She will be missed. RIP Dear Irene.

“ I am so sorry for your loss. Irene didn't know me. I didn't even know her real name, only her screen name on the Spark People website through the daily devotional thread she used to post. Sometimes we affect people and don't even realize it.
