“ *So many memories cascade like leaves falling from a tree. It was in the fall of 1965. I was sacking groceries at Jewel food in Moline. Rolling a full cart to the loading area, I saw this lanky individual loading cars. When he saw me, he rushed over, and got in my face, telling me to slow down. I told him to speed up. After work, he met me, outside. On seeing him, I thought, he'd take a swing, but instead asked me to drink a beer. That was the beginning of a long friendship. He married my sister a year later. We became joined at the hip, always, with each other. For 58 years we did things. There will never be a friend like Denny. He brought such happiness to me. I stagger, in the realization, that he is gone. Be at peace now my brother. Guy Carnahan*

“ I am Bill Gipson , Dennis was my similar age cousin . Our parents were sisters that had their children at the same time so we would have play mates of similar ages .
My twin (Bob) and I would go and stay for a week with Dennis in the Summer at Matherville . Dennis and I would fish and then a fish dinner would be made at the end of the week ! We caught many two and four pounds cat fish in the Edwards River on throw lines . One time on the far side of lake Matherville we were shooting BB guns when a water snake ran for it's hole . I grabbed it by the tail (after all , it's head was in the hole and I was safe - Right?) . I swung it around and around to keep it's head away from me and then threw it towards the lake however Dennis was there! It wrapped around his leg , he danced and screamed and it dropped off and ran with no damage !! I guess he forgave me .
Last year we met at South Padre Island Tx. We both agreed that those times were the best memories of our lives ! Like Huck Fin and Tom Sawyer . Dennis always had a ready smile and moved slow but we discovered that he could easily out run us both - who knew! He was a great friend and I will miss him dearly .

“ Dennis was loving, ornery, adventurous, caring, bright and funny. He was a good brother to my husband, and a great brother-in-law to me. I always knew I could count on him if either of us needed help. We will love him and his family forever. RIP, my dear.

“ *He was a great grandpa. He always had words of wisdom and sometimes a rhyme to go with it. I always thought he was super cool with his motorcycles and loved getting rides around the yard with him when I was younger. He will be truly missed but my memories of him will always be fond ones.*
