“ *Dolores & I knew each other since our younger days. We became close friends when we became neighbors. When I would go visit her we would talk for hours about her sons, her daughter-in-law Sylvia whom she adored
(She would always say that she was the daughter she never had.) & of course her grandchildren who had a special place in her heart. She was such a good friend always joking & laughing. I am really going to miss her. I love you Lola & I will never forget you!*

“ *My deepest condolences to Danny and David and the family. I will keep you all in my prayers. I have so many beautiful memories growing up with y'all by your grandparents house. You mom was the most wonderful lady. Had a heart of gold. No matter where I went and no matter how old I got I always knew I could count on my giant bear hug. Moso and Ruth big hugs I send you from so far away. I wish I could be there with all my broken heart.
May she rest in peace. Lucee Mendiola Rodriguez*
