“ *My condolences to Dora's family. Dora was a wonderful person and a great friend. I remember when she was having trouble getting pregnant and I told her she needed to eat rabbit meat. She immediately made Roel get some and called me to come cook it for her. I never told her I was joking. Couple of weeks later she gets pregnant. She thought it was the rabbit meat. Couple of years later she said "We need to get more rabbit meat" I started laughing and told her I had made it up. She couldn't believe it. Thank God she got pregnant the first time anyway. We had some great times together. Will miss her dearly. RIP*
