“ *I worked with Edelmiro on a few construction projects. He was always quick to joke around and made everyone feel welcome. The whole crew was family and he was the glue that held us together. He will be missed. Prayers to the whole family.*

“ *Ed has been driving the bus for our kids for years going to Idea North Mission. Our son Matthew calls him his “bff”(best friend forever) and they have a special hand shake with each other. He’s such a careful driver and a friendly person. He’s so warm and true to his job. Our kids love him and never forget to give him something on teachers appreciation, Christmas, end of the year, other occasions or sometimes any day. Very respectful and responsible person. We hope he should have enjoyed his retirement times before this happened. but he is resting now and is stress free. We pray that his soul will Rest In Peace with Our Lord. May his family be comforted with God’s love. Thank you so much bus driver Ed for taking care of our children for the past years...we’re always grateful for your service for our family and the idea NM community...See you in the morning...
