“ 1998 - Corner of Colbath and Ware Road party. We had so many adventures in and out of high school. I still remember the first day I met you. There was a group of kids on bikes in front of my parents house and you were the only one with the latest GT scooter with air tires. Fast forward summer, you had the latest video games. Shoot, I would even ask your older Brother Manin to come and help me complete Zelda. This is not good bye brotha, this is see you later. May you be living it up in heaven looking down on us. 🙏
