“ *To a very good friend, I can recall the first time I met you at the RGC Aerostat site back in 1996, so many work memories we shared. Our friendship continue after I left. I value our friendship as you visited me at the Target store in Mission. The RGC site lost thier best tech. Rest in peace my friend, until we meet again in the after life, your friend always David Guerrero*

“ After not seeing him for a long time since working together at the blimp... It was great to have shared some fishing time at the La Joya Lake where he had always wanted to fish at on Oct 8th. After reminiscing the good old times at the blimp and remembering the ones that had passed...now he has passed. My very deepest and heart felt condolences to the family and loved ones.
