“ *Tio Fern, God called you back too soon. We didn't get to visit as much as we would like, but I will always remember the time we spent when you were at our wedding in 2019 and your infectious laugh. I pray for the family and friends whose lives you have touched, until we meet again Tio... I love you and we will meet again.*

“ I'm very sorry to hear my primo passing on. I remember hot summer days growing up together. He had some bad luck health but always seemed to power through. Taken way too soon. He can rest now and he and his family are in my prayers.
