“ My loving friend Frances (ak to me Panchi) , I am still in shock and processing this horrible accident. I didn't get to tell you that you are so loved by Jesus Christ and me. I am glad I can still have a spiritual conversation with you. Remember, that song "Good bye to you my Trusted Friend" this song keeps playing in my head as I reflect back on the joy we shared in our childhood, teenage years and young adult life. It was fun knowing you, we painted the city with lavenders and blues. You my friend are a beautiful woman and a little piece of your spirit. I will carry with me as I remember you for the rest of my days.

Mother Angelica reminds us that we do not die because we are not animals. She says "we will transfigure from this life because we have a soul" and this gives me consolation knowing that we will meet again in heaven and we shall have such a wonderful reception. I am comforted knowing that your with your Mama and all your family that loves you very much rest in peace and God bless you and your family.

Mother Mary please intercede in prayer for my dearest friend Francisca I Guerrero. Jesus Christ please have mercy on your lovely daughter Francisca and great loving and merciful father. I thank you for blessing me with a friend. I love her and I have missed her cast your compassionate eyes a pond her and give her the biggest loving huge and kiss on her cheek for me for your love endures for ever our greatest heavenly father Lord Jesus Christ.

I love my sweet lovely Frances "Good by to you my trusted friend" rest in peace. Amen
