“ *Please receive my deepest condolences on the passing of Tia Panchita. She was such an extraordinary woman. Tia was certainly an example to live by for her daughters, granddaughters, and nieces. Not only was she a loving mother, grandmother, and aunt but with little education she became a fierce businesswoman. She was independent, strong willed, and not afraid to speak her mind. She will live on in the memories we shared with her and the love she gave us. May you find comfort in knowing she now lives in the presence of God. Sending you my love and a big hug to the family.*

*With my deepest sympathies,*
