I don't know your family at all. I just came across your sons name on the internet in a search of people that were shot by police officers. My heart goes out to your family and I pray that God gives you healing in your hearts for your lose. Just a thought to help you if you see another boy like Gilberto help him to find his way through his life to make right choices. Through this you may find great healing. God Bless You and I'm Praying for You All. Mark Loder www.facebook.com/profile.php?id=100008339957919
