

Glafira G. Sosa

January 13, 1926 - November 30, 2024

Glafira G. Sosa of Los Ebanos Texas joined her father Guadalupe Garza, mother Ana Flores, husband Luis Sosa, daughter Oralia Sosa and eight siblings in heaven on November 30, 2024.

Short of 44 days from celebrating her 99 th birthday, she leaves a monumental legacy for generations to continue. As a widow, she raised two sons, five daughters and one grandson with the values of respect, independence and work ethic. As a provider, she earned an income through managing farmland, cab transportation, beauty consultancy, and sale of apparel. Glafira exemplified a spirit of entrepreneurship to deeply care for the family.

This remains present in the minds and hearts of her beloved survivors including Maria, Advento, Rosa Mirtha, Luis Lauro, Aida, Ana, Nelva, sixteen grandchildren and twenty-eight great-grandchildren.

We are immensely proud, grateful and honored to have had Glafira G. Sosa

as our mother,
grandmother and great-grandmother in our lives and continue to do so in
eternity.

“ My sweet amazing aunt , you were a wonderful blessing to have as an aunt , a warrior raising your children on your own after loosing their dad at a young age. I will never forget your positive attitude and fun moments, it was a pleasure to visit you along with my mom (your younger sister) . It's been hard to write this , and realize that you have actually departed this world. Finally a month before your passing as we visited you in the nursing home, I learned how you enjoyed listening to music 🎵 with the accordion ☐ as you moved your little shoulders up and down to the music 🎶 and played “ the maqunitas 📍 “ via our 📱 smart phone. That was our highlight of our trip to see you alive . Thank you for the memories tia hermosa , in our hearts 💕 and minds you will always live, today is your baby brother, and last brother living's birthday 🎉 , day after tomorrow you would have turned 99 years young ! And day after mine (these dates ... I will never forget and will always remember you ☐❤☐ missing you 😭 till we meet again.

“ My grandmother was the strongest person I've ever known. Her strong will and determination to move forward and get things done, is something I always admired. Everlasting memories and advice I will always carry with me. Thank you Lord for letting me have her for this long. Rest now grandma Glafira. We will carry on and hold you in our hearts.

“ *Grandma Fifi as my grandkids (Kiki, Ben & Ezra) and I knew her, will be greatly missed. She never complained about aches & pains, always positive about everything. Her jokes were amazing, heard them while having coffee & tamales with her. My condolences to Brenda and Albert (son-in-law) and to all her family from the Moreno Villarreal family. RIP*
