“ *Guadalupe Moreno*

“ *A face that is always on my mind,  
A smile I have seen a million times,  
Two eyes that would light up the sky at night,  
One last battle you could not fight,  
The day was long, then night then morn.  
I knew that soon you would be gone  
I grasped your hand so warm in mine,  
Soon we would be out of time,  
To stay with us you fought so hard,  
A million pieces went my heart,  
Now a photo I look at to see your smile,  
I keep your number on my speed dial,  
A video I watch to hear your voice,  
This I do.... I have no choice.,  
But great memories I will always keep with me,  
Your love in my heart for eternity,  
I never got to say goodbye,  
Waiting in heaven from this moment on,  
'Till God asks you to bring me home....*

“ *I'm so alone, it's so dark....  
When is the sun going to shine again?  
The sky is dark, my world is grey....  
When are the flowers going to bloom and make this hurt go away?  
My mommy is gone, I feel her presence...  
The thought of not seeing her again takes my breath away  
The hurt, the pain, I cannot describe....  
It's like my blood quit flowing inside  
I wake up each morning to begin a new day....  
In hopes that this hollow feeling will go away  
My thoughts of my Mommy bring happiness and peace....  
Then the truth overcomes and I feel so incomplete  
I know she loves me and she is free of pain  
But I would love to see her one more time again*
