“ *I send my deepest condolences to Jose Quezada and all his children. Even though I had not seen her in years, I have very fond memories of her. I remember when I was growing up, my mother would go have her perm done by Lupe. They would chat as Lupe would curl my moms hair into the thin rods. It saddens my heart to know that she has past on. I pray that our lord will comfort her in heaven and Jose and family will receive strength to move forward.*
