“ *Aunt Lina was always happy to see my Dad ,Leo as she called him , when we went to visit my Grandma in Mission .Always welcomed the family at her home with excitement to have us spend the nights in her home while in Mission .My Dad was there to listen to her during her very early years of being a very young widow with three small children .My dad was always a great listener to all his sisters may he join together with those that have left to watch over us from Heaven .All my love to the family ,Beatrice R Pena*
