“ *Janice was one of my first friends in Edinburg when we moved there in 1952. She was a very sweet girl, and I am sure that her family are grateful for the time they had with her.*

Thank you Norma for such a sweet comment.. Yes we are very grateful for every precious moment we had with our mom..She was my best friend, the one I always called when I felt that I had no one else to call and she always came back with a positive comment to make me feel better. Her love was unconditional. My heart is truly broken and empty right now but I know she is walking with the angels and that is the only thing that is getting me through every day ;)
