“ *It's hard to put into words the sorrow I feel with the loss of Javi but on his behalf I can't not say anything. He was my first supervisor and I've been blessed to share many memories with him throughout several years in and out of work. Thank you for always brightening up my day.*

“ I've known Javier for almost 5 years now and though I never worked with him directly, we always worked together to help each other and the customers. He was always real caring, helpful, and joyful to work alongside with. I will miss my friend and he will be in our prayers.

--John 3:16 For God so loved the world that he gave his only-begotten Son,
so that all who believe in him may not perish, but may have eternal life.

“ *Javier Cortez was my supervisor and he worked hard for his family, which included us the team. I had an awesome time speaking to him every time I had an opportunity. Once, we spoke about how Jesus Christ blessed him with a job that he needed badly. It was this job where I met him which was the blessing he was hoping for, Father God and His Son, Jesus Christ be with the Cortez Family right now. From your friend Isaac Cordova Gonzalez.*
