“ A note to My Godson Jesse,
You meant Allot to Kiro and me and to my kids. Your kindness, your care, and your heart will never be forgotten. Losing you has left a deep ache in us, and not knowing why makes it even harder. We will forever hold on to the good memories and the love you showed us. You are loved beyond words and missed every day.”

“ Dad I write you this letter to reflect on it when the years pass. I dreaded this. I know we all have an end. I didn't think so soon. I remember being younger and writing you letters about my life update and we would use silly emojis. I taught you “LOL”. Dad I love you so much. You deserved more. I am sorry. I am grateful for the memories and the love we shared. I will forever have a candle lit for you. I will pray for your soul to be resting. Visit me in my dreams. I haven't seen your beautiful face in years. I will be seeing it soon and I wished this wasn't the last time. I love you dad. I will miss you for the rest of my life. The what's if don't matter anymore, I'll forever have my beautiful memories.
