Condolences to the Rodriguez family. Manuel was a good friend of mine since we were students at John F.Kennedy Jr High and all thru High School at La Joya High. We were classmates & teammates, played football together and mostly we went to alot of dances together and just having fun with some of our other classmates. We lost contact after graduation from High School when I left to serve in the military. After serving my tour of duty in the military & came home, I found out that Manny was living in San Antonio. We made contact again. Manny and I kept in touch on & off, whenever I had a trip to San Antonio we would meet & touch base with each other or he would call me whenever he came down to visit his parents in La Joya. Manny, you're in a better place now dancing the nite away & no more pain RIP My friend.
