“ Carmen, God the memories we made, our children growing up together. Our crazy drives with the windows down and music blasting in your Burgundy mirage, your long black hair just blowing in the wind! Our Saturday mornings having coffee, but red, barbacoa and tamales while our children played together. You were there cleaning my home when i had Dora-lee , you had just had Cassandra but your heart was so huge, you came and cleaned and filled my kitchen with goodies! We lived in the same apartments and we spent everyday together. God, I'm going to miss you. I love you and i hope you knew that. I'll see you again my love. Love Jenny, Chasiti, John-Ross and Dora-lee ☐
