“ *Mary, Ruben , my brother Mauricio and to her grandchildren. I'm forever thankful for any times I got to spend with your mom before the pandemic. She was at every family gathering, bbq, birthday party, any special occasion . She always had a warm smile, she loved you all so much beyond anything and everything. She was a wonderful and best grandma ever to her grandbabies!! I will miss her deeply. She was a beautiful person with a beautiful big heart! She may not be here physically but she will continue to live in your children , they all have her smile and huge spirit!!!! My condolences . She will be deeply missed but NEVER forgotten. I love you all.*
