“ *My deepest condolences to Vanessa and all the family of Maria Jimenez. Maria was a great and beautiful person and had a big heart filled with love. I had the honor of being a part of Maria's life for over 20 years which have gone by way to fast. I remember walking over to her house on occasion and spending a little time with her. She always made sure she had a coke for me and was always happy to see me. I wished I could of spent more time with her because she was so loving but I will cherish every single minute I spent with Maria and I know she will always be taking care of me and my family from Heaven. There is another beautiful Angel in Heaven and she will be busy taking care of her family down here. God Bless you Maria and until we see each other again. Love you.*
