“ *My condolences to Olga and family on the loss of your mother and grandmother. We only had the privilege of having Olga and Maria here at Southgate for a short time but you were greatly missed when you made the decision to leave. Your mom was blessed to have such a wonderful family and clearly, she is what made it so!*

“ *I remember a 4th of July celebration where she shined being surrounded by her family. It was obvious she felt the love. Such a treasured memory.*
