“ Miguel aka "Raisin" I'm still in such disbelief. 27 yrs you were in my life. From meeting in Austin and we were both from the valley! You literally moved in a few weeks later. Ive been crying and laughing so much. I was looking at old pictures with you and Adrik. Im so glad you were in my life and and the boys lives. We had so many ups and downs, but regardless we loved each other always. You always made me laugh. My mind has been flooded with so many memories. The food court, jack in the box, the speaker! I love you and I will miss you terribly. My heart hurts. I listened to the last message you left me the day before you passed. Thank you for that. Love you always.
