“ My condolences to Monica's husband, parents, siblings, and family. When I saw her mom, she gave me the news. I prayed every night for her strength to fight this and for the strength of her beautiful family. She was my student in Kinder-First Grade and Fourth Grade at Chapa Elementary. What Israel wrote about his sister is very true. She would do anything and everything to help a fellow classmate. She would help me tutor those who were still struggling. She was very smart and impressed many who came to visit our school. The visitors couldn't believe that this first grade student was walking around reading novels. She was a great leader. I learned so much from her kindness, patience, and love. You will truly be missed my baby girl. Thank you for giving me your love, I will cherish this forever. Your teacher, Mrs. Mercedes Silva.
