“ To the Cuellar family. There are no words in any language to adequately describe the void left behind by the loss of your brother Oscar. I considered him my brother too. I pray that God gives you the strength to get through this most difficult time. He and I played the trumpet throughout our high school years. Our most special time was playing in the first ever mariachi at Weslaco High School, “Los Panamericanos.” Thank you Oscar for being my friend, my fellow trumpet player, and my brother. Vaya con Dios.
