“ Rest In Peace Paulino and My our Lord and Savior comfort your family in this time of sorrow. Paulino was one of my journeymen when we worked at the old Brownsville Border Patrol Station by the expressway. He treated me with respect and taught me to be a good agent. I will never forget the memories of working together and learning from him. I had the pleasure to have met his wife and children. Paulino and his wife were always very friendly toward me and my family. So many memories of having the pleasure of working with him as an agent and as a supervisor. Rest In Peace brother..
