“ *My deepest condolences to the family, NORMA and her two sons. It was a pleasure of taking care of your father and your husband. What a little time that me and my husband and my family had with Mr. Ruiz was enjoyable he was a kind man. I don't have the words to say how very sorry I am for your loss. But what I can say is I enjoyed the time that I had with him taken care of him, giving him comfort and I know he's in heaven with his love ones that's going on. He made me laugh smile I even cried, but thank you for letting us take care of him for the time that we had him. If there's anything that me or my family can do, please do not hesitate to reach out to us. God bless.*
