“ Rebecca was a very dear friend of mine and work colleague. Our girls Lily and Maryn grew up together at Tabasco Elementary virtually being in the same classroom every year. She started out as my work colleague new to Tabasco as a 3rd grade teacher and we quickly became friends. She was always willing to lend a helping hand, give helpful advice, and always shared her supplies with me. She made the best cakes, my favorite being her chocolate tres leches, and was always very caring to others. She watched over my son’s classroom during recess for a time and was always telling me what a good boy he was. I will never forget my dear friend. We will miss your presence Rebecca but your legacy will always live on with us.

“ *It is with a heavy heart that I extend my deepest condolences to the family of Ms. Becky Garcia. My heart is with you during this incredibly difficult time.*

Ms. Becky was so much more than a coworker to me. She was a true mentor and a dear friend over the past nine years. I will never forget how, as a new teacher, she was one of the first to take me under her wing. She not only showed me the ropes but also introduced me to coworkers who became lifelong friends. Her warmth and guidance were a light during those early days, and that light never dimmed.

I'll deeply miss her stopping by my classroom just to have a chat or check in; it was always a great part of my day. And I know this may sound small, but the way she would quietly fix things around my door, always looking out for the little details, meant more than words can express. And her red velvet cakes... actually, any of her cakes! They were always made with love and shared with joy.

Ms. Becky had a way of looking out for everyone, making sure we were okay, checking in to see how our days were going, and celebrating us in the most genuine ways. Her happy birthday messages meant the world to us, and honestly, they were often how we found out it was someone's special day. She cared for people in both big and small ways, and it made all the difference.

I will always cherish her friendship and mentorship, and I will carry forward her spirit of kindness, generosity, and helping others. Ms. Becky's legacy lives on in the lives she touched, and I'm forever grateful to be one of them.

Rest in peace, Ms. Becky. You will be missed beyond words. 🙏❤️

“ My deepest condolences to Lily, Marc and all the family. May the Lord grant you all strength, peace, and healing in the days ahead.

May my dear friend, Becky rest in peace. She will be greatly missed, and forever be remembered as a loving, and caring person as she always looked out for the wellbeing of others. I will always remember her daily genuine “Please and Thank You,” small notes and reminders.

We will forever cherish beautiful memories created with the first grade team. Somehow, we got her to agree and participate in taking a couple of snapshots with us. Always and forever in our hearts. ❤️

“ I’ve had the honor of calling Ms. Becky Garcia not only my coworker but also my dear friend for the past 16 years. Ms. Garcia was a truly genuine soul—loyal, honest, and full of quiet strength. She had a unique personality that made her so special. She carried the worries of those she cared about as if they were her own, always ready to listen and help.

Ms. Becky had a way of making the little things matter. She never forgot a birthday and could find the best coupons like it was an art form. I’ll always remember how she shared baking tips and recipes with me—how proud she was when I baked my first cake and how she encouraged me to keep going. That meant the world to me.

Though she was a very private person, I feel incredibly blessed to have been part of her life since our kids were little. I will always cherish her friendship, her support, and the countless memories we shared. Rest peacefully, Ms. Becky Garcia. You are deeply missed.

“ *We are deeply saddened by the passing of our dear coworker and friend, Ms. Garcia. She was a strong, loving soul who brought so much warmth and care into our lives. Always punctual and thoughtful, she never missed a birthday and somehow made every occasion feel special.*

We will forever remember her kindness, like how she brought me protein shakes during my first pregnancy and saved diaper coupons just for me. She truly looked out for everyone. Her baking was well loved by all of us, and it's bittersweet to know that the pineapple upside-down cake she made for our coworker's birthday was the last one we'd get to enjoy.

Ms. Garcia had a heart of gold. Her gentle reminders, comforting words, and motherly care left a lasting mark on us all. She will be missed more than words can express.

Rest in peace, Ms. Garcia. Thank you for everything. 🙏❤️
