“ *Our dearest condolences to My Dear friend Diana and entire Martinez & Herrera Families. Your loss is also our loss. He will be dearly missed.*

He left great memories; his generosity to all, his stories that without the dramatic expressions would not be as meaningful, his delicious food whether breakfast, lunch or dinner and our internal joke (you had to be there) “peana butta ” that we used to greet each other with and made us laugh every time.

“Thank you Rene for the precious time you gave us, RIP dear Friend!”

“ Rene was a great person. I am happy that I was able to meet him and enjoy his grilling. He taught me the art of making sweetbreads on the grill. He will be missed.
