“ *Dear, Brown family*

Mr. Brown was a good man he would always be really happy to see us students. Like my grandmother past away of lung cancer and she died for me like Mr.Brown died for you he would cross me from school to school so I can get to my little brother . Just know that he was fighting so hard just to spend more time with you guys but he could not take the pain so he just let go, and know that he is right there with each one of you when you struggle in life. He loved you guys a Nd he would probably tell you thatt is ok he is in a better place now. So hope you guys hang on and know that his presence is always with you if you keep him in memory. Just know that I will be playing for you and Ricky Brown.
