“ *I love you so much Rigo and will never lose my wonderful memories of you. From unexpected beach trips to pool parties or just a relaxing movie night at my house having you with me for them was enough to make my days. Just last week I was sitting on my couch with you watching old scary movie clips on Youtube of I know what you did last summer and friday the 13th making plans to watch them soon and you kept telling me I reminded you of sarah michelle gellar in them lol. You lit up my life and never failed to make me burst out laughing when I needed it the most. I wish I could have been there more for you because you deserve love and happiness to last an eternity. Thank you for the great times Rigo I know I will see you again <3 Gaby Hernandez*
