Mrs. Rivera this is Roberto Gonzalez and I am deeply sadden of the loss of a very great husband and all the years he had been by your side. I recently found out of his passing when I pick up the Progress Friday, February 9, 2024. I know that you will dearly miss him and so do I. I will really had a wonderful time with him and all of the gang on Monday night at you home. Mrs. Rivera please rest assure that he is still there with you although you can't see him but you do feel him very close to you. Please remember Jesus Christ words --- for I am the Light the Truth and the Resurrection and those that believe in me will not die but have ever lasting life in heaven. For I too loss my wife and son on October 4, 1980 but I felt them always close to me until I remarried on August 19, 1982 and that's when they left me for good. All I know is that some day I too will die and be will all those that I share my life with! AMEN
