“ *To The Reyes Family: Our Deepest, Heartfelt Condolences on your loss. Words can't ease your pain or lessen the loss of Stephanie and although I had few encounters with her as a teenager, I have seen her evolve into a beautiful, caring, fun and vivacious woman thru pictures. My daughters, my husband Huey, my sisters and mother send our Sincere Condolences to your entire family during these difficult days. With Deepest Sympathy, Leticia LeBlanc*

“ Stephanie oh my Stephanie Jessica's little tagalong there wasn't a place Jessica couldn't go without her little sister Stephanie... I clearly remember every time me and Jessica would hang around in California Stephanie had to be by her side I never min I clearly remember every time me and Jessica would hang around in California Stephanie had to be by her side not sure why but it was OK all we had to do was buy her candy and she would be happy and wouldn't telling us to her parents Lol 😊 As the years went by she grew up to be a beautiful young lady then a woman and as the years went by she grew up to be a beautiful young lady then a woman and then a great mother.. Every single time I would talk to her or message her it was laughter nonstop she would come up with the craziest conversations ever.. She was very excited about her husband making her dream home and then buying her dream car and she would never stop talking about her gorgeous beautiful girls when she find out I had to get surgery she messaged me right away and told me not to worry about it then everything would be fine that's just the way Stephanie was.. to some people Stephanie was just Stephanie but to me she was more than my best friends little sister she was also my little sister who I'm truly going to miss a lot ... Stephanie baby girl I love you and I'm going to miss you buncheS  
RIP MIJA

“ No words can express how heartbroken I am to hear of this beautiful young woman's presence no longer being with us. Stephanie was a fun loving, charismatic, energetic, and caring individual. I had a good time working with her when she was in Fargo for a couple summers at Wendy's. She will be greatly missed by all. RIP BEAUTIFUL <3

“ It's a really ugly reality to know she will no longer physically be with us, Stephanie was just Stephanie she would never stop surprising us...It's hard to express myself I just find my mind clouded with grief and anger so trying to change that thinking With good timespecially growing up one memory that always comes to My mind is her older sister Jessica and I (since we were old) would see her as our tag along little sister we Would sneak around to go to the store without her to get candy only to get home seeing her with my Tio Rene knowing we would get lectured Because we left his pumpkin behind worst thing was he would send right back to the store with more money then the 2 of us put together to see if we would learn our lesson and not leaving Her behind next time....as I've grown old this always makes me laugh We were hard headed we would always have to still walk her back to the store see her get more candy but we would only think of plotting sneaker ways going to the store because we were to "growing up at the time to be seen with Little sisters"even if the out come never change. She would melt anyone heart with her beautiful smile, eye and chunky baby cheeks...  
Love you always mija...
