“ *William was my bus driver when I was in sixth grade. My dad was the shop Foreman for La Joya ISD. Mom passed away that year and I will always remember him. He put me in charge of the boys as I was the only sixth grader and the oldest. He asked me to keep them away from the emergency handle on the backdoor. So I thought of him recently when I heard of an accident involving the emergency exit on a school bus. He also asked me to help out with a younger neighbor who was a trouble maker. I never knew he had lost his mom at birth till a couple years ago. He told me he respected me when no one wanted to give him a chance to be a kid I always listened to what he had to say. He learned the hard way. He's a gear jammer just like his dad and that driver that made him sit with me. God have you in his mercy " Wile" to your family i say you were a good soul and had a good heart.*
